HOPE FOR DEMENTIA

PREVENT. CARE. EMPOWER.

ANNUAL GALA

SUPPORTING PROGRAMS THAT CHANGE LIVES

AT THE HEART OF OUR MISSION

INTERGENERATIONAL LEARNING PROGRAM

Connecting hearts.
Building communities.

This program bridges the generation gap. Seniors learn digital skills, seniors share life experiences with youth, and together they work on creative projects.

Every connection creates joy, purpose, and a stronger dementia-friendly community.

THE POWER OF CONNECTION ACROSS GENERATIONS

- MEANINGFUL CONNECTIONS
- COGNITIVE & EMOTIONAL BENEFITS
- SHARED JOY, LASTING IMPACT
- BUILDING A CARING COMMUNITY

BE PART OF SOMETHING GENERATIONAL.

Your support for our gala helps sustain the Intergenerational Learning Program and ensures connections that inspire understanding, kindness and hope for today and tomorrow.

Together, we can build a dementia-friendly future.
